5. Ordinary resolution number 5

Dis-application of pre-emption rights

"RESOLVED THAT, subject to the JSE Listings Requirements, the Board be and is hereby authorised to dis-apply the pre-emption rights, with respect to the authority conferred on the Board to issue and allot ordinary shares, up to a maximum of 10% of the Company's issued share capital.  - in the event of a subdivision or consolidation of issued equity securities during the period contemplated above, the existing authority must be adjusted accordingly to represent the same allocation ratio
 - the calculation of the listed equity securities is a factual assessment of the listed equity securities as at the date of the notice of AGM, excluding treasury shares.
- (iv) This authority shall be valid until the Company's next AGM.

Additional information in respect of special resolution number 1

Under section 57A of the Companies Law, the Board must obtain authorisation by special resolution from the shareholders before they can effect the purchase by the Company of any of its own shares. In certain circumstances it may be advantageous for the Company to purchase its own shares and this resolution seeks authority to do so. The Board will exercise this power only in accordance with the requirements of the Companies Law and the JSE Listings Requirements, and when, in view of market conditions prevailing at the time, it believes that the effect of such purchases will be to increase earnings per share and is in the best interests of the shareholders generally. Save to the extent purchased pursuant to the Companies Law, any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly.

The Company may hold in treasury any of its own shares that it purchases pursuant to the Companies Law and the authority conferred by this resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy awards under the Share Award Plan using treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of the shares and no dividend or other distribution of the Company's assets may be made to the Company in respect of treasury shares.

In accordance with the Companies Law, this resolution specifies the maximum number of shares that may be acquired and the maximum and minimum prices at which shares may be bought. If granted, this authority will expire at the conclusion of the Company's next AGM, provided that it shall not extend beyond 12 months from the date of passing of this special resolution number 1.

Depository interest holders who are CREST members and who wish to issue an instruction through the CREST electronic voting appointment service may do so by using the procedures described in the CREST manual (available from www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.

In order for instructions made using the CREST service to be valid, the appropriate CREST message (a CREST voting instruction) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ('EUI') and must contain the information required for such instructions, as described in the CREST manual (available via www.euroclear.com/CREST).

The message, regardless of whether it relates to the voting instruction or to an amendment to the instruction given to the depository must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 08:00 UTC on Friday, 18 January 2019. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST voting instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST voting instruction is transmitted by means of the CREST service by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
